Dear Senate Committee on Finance and Revenue,  
I strongly oppose SB 1507! Oregonians have voted down sales tax over and over. If you think the tax payers want it, let us vote on it. Another problem with this bill is there is no guarantee that other taxes will be reduced. Oregon families are having a hard enough time putting food on the table and paying their bills. You in the legislature keep pushing for more taxes, increases in fees, etc and forget it just hurts people. Audit the government, balance the budget and live within your means.
