

Submitter: Karen Edmonds  
On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1507

I do not understand why the Oregon government is constantly working against the people. You are supposed to be there to listen to the people that put you in office and look out for their best interests. All the Oregon government representatives can do is ask for more tax money from us. It is way past time to reel in your expensive tastes. Budget as we do! Put your frivolous agenda off until the times are better instead of raping the people.
