

Submitter: Austin Schaffer  
On Behalf Of:  
Committee: Senate Committee On Early Childhood and Behavioral Health  
Measure, Appointment or SB1573  
Topic:

This would greatly diminish accessibility to medical supplies for houseless and low income people. Also, you DON'T want there to be a safe and clean option for disposing of used syringes near a school? So those used syringes should just go in random trash cans or on the ground?
