

Submitter: JOHN W LEUTHE

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4153

I encourage people to run small businesses and enterprises. I see these enterprises as learning tools for young people to get practical help in understanding the workings of a free economy, without government oversight and intervention.

People should be free to act in pursuing their own successful endeavors and work toward without "Big Brother" looking over their shoulders.

I oppose this Bill. John Leuthe
