HB4114

Honorable Co-chairs Kropf and Chotzen and Members of the House Committee on Judiciary.

Thank you for the opportunity to testify in support of HB 4114. I have lived in Eugene for over 50 years, 20 of those years as a teacher in Eugene 4j School District. I therefore feel a particular kind of concern and abhorrence when I contemplate the vulnerability that schools and other community institutions, such as hospitals experience when exposed to the brutality by federal agents in Oregon communities and in other states. This behavior is unprecedented and totally uncalled for. We must protect our children and other vulnerable community members by passing HB 4114. Thank you.
