Measure, Appointment or Topic: HB4134

As a long time Oregon resident, I ask you to support HB 4134, 1.25% for wildlife. The wild parts of Oregon are one of the states greatest assets. It's something residents and tourists alike enjoy. I'd like to see Oregon known for its conservation efforts and believe visitors would appreciate it. Please support Oregons outdoor recreation, quality of life for residents and wildlife and our tourism.
