HB4075

"Hello Oregon Leaders,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. The Bay Area Hospital still needs some assistance, but the disciplined recovery plan of the last few months has shown its potential for lasting financial independence.

If the State is unwilling to assist the Bay Area Hospital, it will likely downgrade to a "type B" hospital. This comes with a number of costs to wellness and the local economy, including an estimated 180 preventable deaths each year.

Please support local healthcare access and act to save the Bay Area Hospital!

From,
