NO on SB 1507

This is a bait and switch bill, where you say one tax will go down if this tax passes. That's a lie; it never works that way. Our taxes are already too high with government not auditing or being held accountable for the monies they already have. Too many people, businesses are leaving this state because of the inappropriate way our taxes are being used. The reason you want more taxes is because you are in direct rebellion to the Federal government for reasons that WE THE PEOPLE do not support, and you are trying to make us pay for the funds you are losing with your WOKE policies. We are being asked to pay a sales tax of at least 3% for non-essential purposes. Be fiscally responsible and do audits; get rid of waste and DEI.

We the people have already spoken!! Several times, in fact! We do NOT want any more taxes, and we absolutely do not want a sales tax..... not even with the lure of lowering other taxes by some unknown amount only to be raised again later! No more taxes!! Didn't you get the message with the referendum on HB 3991???

The people will never vote for this. Oregon's Constitution says that tax raises must be voted in. NOT GOING TO HAPPEN.
