

Submitter:

Eric Rasmussen

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4035

The Oregon State intervention in housing is what is making this state have housing problems. As soon as I retire in a few months, I will no longer have this problem. But the rest of the folks who don't have the resources to leave the state will continue to be pillaged by Oregon. Stop restricting land and taxing the life out of the productive class.
