Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1507

I OPPOSE SB 1507 & all of the amendments as proposed as of Feb 5th. Once again, Dem legislative leaders & our Governor want to ignore and obfuscate from the public the corruption & mismanagement within the upper levels of state bureaucracy, including but not limited to ODOT & OHA, and instead they want to push forward on dipping into taxpayer wallets to make up for the corrupt & administrative shortfalls in revenue. Fed'l tax system deductions should be allowed at the state level. Supporting legislators' need to put aside their obsession w/Trump Derangement System when attempting to effectively & efficiently govern this state. And trying to manipulate in a state sales tax is equally reprehensible. Folks, especially in the rural & frontier areas of the state, are getting fed up with the expensive & unrealistic agendas of the governor & her minion legislators. Kill this bill. Legislate cost savings & spending cuts instead.
