Measure, Appointment or Topic: SB1507

Our small businesses need all the help they can get. We have already lost dozens of larger businesses throughout the state as well as many great restaurants have gone out of business because of Oregon's hostile treatment towards our businesses. We oppose Amendments 4 & 5 of SB1507. Please vote NO on Amendments 4 & 5 of SB1507. We are on the verge of not have a healthy and thriving state anymore if the State of Oregon continues to up the taxes on businesses and citizens. :( Thank you for your time in reading our testimony.
