Measure, Appointment or Topic: SB1594

I oppose SB1594. It is the federal government's job to enforce the laws with regards to immigration. If there are changes needed to these laws, then the US House and Senate need to work on changing them. The Supremacy Clause of the US Constitution says that federal law takes precedence over any conflicting state law. Don't waste state resources or time on this bill when laws related to immigration have no standing against the federal government. Vote NO on SB1594.
