On Behalf Of: NO SALES TAX. NO MORE TAXES AT ALL  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1507

We will NOT vote in a sales tax of at least 3%, especially when tied to a bill that does not detail what you intend to do with our income tax rates! We are not fools, as are those who wrote this bill.

- The bill imposes a mandatory cost of living increase, which cannot be changed
- Part year residents will be taxed as full year residents
- Part of the taxes will go to pay for "indigent defense" which means some folks don't have to pay for attorney help, while others do (working Oregonians)
- Part of taxes would go to "community risk reduction" which means it helps sanctuary status stuff
- Part of taxes would go to Funds for Students Success, a \$billion dollar plus fund, which focuses on "equity education" which has nothing to do with fairness to all
- Part of taxes will fund an increase in Unearned income credits on taxes, for some to get free money from the state, which are not taxes paid
- Part of taxes would fund Employment Related Day Care subsidy program which funds Temporary Assistance for Needy Families, but once again, this is discriminatory group
