Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1507

Although I am not familiar with all of the details of SB 1507 and its amendments, I am writing to express my strong support for decoupling our state tax code from the federal tax code. As we can see from the current state budget shortfall, it is risky to have the two linked so closely. Federal tax policy can change frequently, and our state budget should not be subject to the whims of federal policy any more than necessary.

Thank you for your consideration of this change.

Sincerely,

Amanda Duncan
