On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4153

I'm writing to urge you reject HB 4153 in this short session. There has been no time allowed for concerned parties, such as the Oregon Winegrowers, to hear about the bill. We all need time to consider its serious implications for potentially upending the protection of agricultural lands in Exclusive Farm Use zones.

This bill should not be rushed through a short session.

Thank you for considering.
