Measure, Appointment or Topic: SB1507

To Chair Broadman and Vice Chair McLane - Please pass SB 1507. For all the reasons well articulated in the testimony from the Oregon Center for Public Policy, Fight for our Future, and many other Oregonians concerned about the growing disparity between the rich and the rest of us in this country, Oregon needs to "Fly with her own Wings" in regard to amending our tax process. The federal tax changes recently enacted are not fair or sustainable. We need to de-couple from them. Thanks you for making this effort possible.
