Senate Committee On Rules

Measure, Appointment or Topic:

SB1509

I reiterate, “ passing SB 1509, the Oregon Legislative Assembly would be protecting our state’s voters, protecting the voice of our state, protecting our presidential electors, and helping protect our nation’s democracy by reducing the chances that our presidential elections in 2028 or beyond could be overturned.” this is a crucial and important action to further strengthen and protect Oregonians against discrimination and electoral fraud and graft.
