HB4134

My name is Lou Chapman and I live in Portland, Oregon. I am submitting this testimony in strong support of increasing Oregon's statewide lodging tax to provide a sustainable source of funds to ODFW to help Oregon's wildlife at peril and improve habitat which will contribute to Oregon's tourism and outdoor recreation economy while keeping the tax one of the lowest in the country. Wildlife and habitats must not just survive, they must thrive and this legislation will protect Oregon's natural legacy into the future. Please pass HB 4134-1 this legislative session! Thank you.
