Measure, Appointment or Topic: SB1507

Regarding Senate Bill 1507 (4,5 amendments), this bill aims to snatch nearly \$400 million in tax breaks from the 2025 Congress Tax Cuts in the Big Beautiful Bill by synchronizing state savings from the car interest deduction and the business depreciation deduction.

As states cut their taxes. Oregon is raising the tax burden by passing higher taxes and fees. This is a path to tax revenue DECLINE.

This is another reason businesses and private citizens are moving out of the state of Oregon. Oregon is not a friendly business state.

**STOP TAXING THE OREGON CITIZENS TO DEATH, AS IF WE WERE THE  
EMENY OF THE STATE!.**
