Measure, Appointment or HB4153  
Topic:

My Name is MarVi and I am a community member who lives in Eugene but who grew up and has spent many years in Port Orford. I am writing to you today to express my opposition to HB 4153. Farm stands are a vital part of connecting the public with our food system and building an understanding of what it takes to go from field to fork. But HB 4153 would restrict who is allowed to have a farm stand, replace current definitions with Farm Stores, and give large land owners privileges at the expense of small farm stands in Oregon. We need to find a better solution.

I care about this because small farms and their stands are an integral part of small communities. These places not only keep us fed with locally produced fruits and vegetables but also keep communities growing and thriving for generations to come.

We are asking you to not place a higher burden on the smallest farms. This bill takes away opportunities from small land holders and farms in order for larger operations to be able to host more events. This is not a good bargain for Oregon and a better deal must be found.

Thank you,
