On Behalf Of:

Committee: House Committee On Commerce and Consumer Protection

Measure, Appointment or Topic: HB4150

Dear Committee Members,

Thank you for the opportunity to testify on this important bill. I strongly oppose federal policies of mass deportation that deny due process to immigrants. Private companies, such as Avelo Airlines, have profited from federal contracts to carry out these actions.

HB 4150 requires private contractors operating in Oregon to attest that they will not participate in these practices. This requirement reflects our state's commitment to supporting immigrant communities and resisting unjust federal deportation policies. By promoting ethical behavior among contractors, this bill ensures that public funds are used appropriately, in alignment with Oregon's policies and values.

I strongly urge you to approve this bill and forward it to the legislature for passage.

Sincerely,

Alison Laughlin
