"To: Treasurer Steiner and Legislators,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means an estimated 180 preventable deaths each year.

Please do what you can to save the Bay Area Hospital.

From,
