"Attn: Oregon State Treasurer and Legislature,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. After several months of implementing a turnaround strategy, the Hospital has shown that it can be a sustainable part of the community but challenges remain.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means an estimated 180 preventable deaths each year.

We're counting on you to help support the Bay Area Hospital!
