Measure, Appointment or Topic: HB4075

"Attn: Treasurer Steiner and Legislators,

I am urging you to vote YES on the legislative package to assist the Bay Area Hospital, including House Bill 4075. After months of reforms and cost-cutting, the Hospital is in much better shape but still struggling with high interest payments and aging equipment.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means the cessation of Bay Area Hospital accepting most transfers from other clinics in the region.

Your support of the Bay Area Hospital is needed now.

Best regards
