HB4075

"TO: State Treasurer and Lawmakers,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. Recent cost-cutting measures have placed the Hospital on much better footing but financial instability remains.

If we do nothing this Legislative Session, the community will be facing significant economic and healthcare impacts, including an estimated 2,089 more patient transfers and 182 preventable deaths per year.

Please do what you can to save the Bay Area Hospital.
