

Submitter: Charlotte Corkran

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB4134

Members of the Revenue Committee,

My name is Charlotte Corkran and I live in unincorporated Washington County near NW Portland. I am a retired wildlife consultant and served on the first Nongame Wildlife Advisory Committee in the 1970s. Even back then we searched for ways to fund research and management for all of the State's wildlife.

Please support and pass HB 4134, as a fair and sustainable way to fund programs that will ensure the perpetuation of Oregon's wildlife for both visitors and residents.

Thank you,

Charlotte Corkran
