House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4153

I just bought a small farm a year ago. I've been working ever since to get it into production. It's in a good location for a small stand. I only have 7 acres. It's zoned farm forest. If I can't sell than why farm and if I can't farm than it should be zoned rural residential. I oppose this bill. please vote no.
