

Submitter: Bill Peck

On Behalf Of:

Committee: Senate Committee On Commerce and General  
Government

Measure, Appointment or SB1593  
Topic:

I strongly support SB 1593. I am an avid skier, racer and participate in club activities on Mt. Hood. I, and people like me, are aware of and appreciate the inherent risks of these activities. These activities are costly enough without having to pay higher prices to line the pockets of the trial lawyers.
