HB4153

John Shipp, I am community member and writing to express my opposition to HB 4153. Our communities on the South Coast and throughout Oregon depend on small farms and the farm stands that these hardworking, dedicated farmers provide; talented folks who work long hours to bring fresh foods to our tables. They employ and teach their many skills to folks all across Oregon. Professions, life skills, growing food, pass from generation to generation, all necessary for a healthy community; folks need good food.
