Measure, Appointment or Topic: HB4153

I am a resident of Coos Bay and a farm stand customer. I am concerned about the restrictions that HB4153 puts on who can operate a farm stand. This bill appears to benefit large landowners at the expense of the small farmer. I annually visit a small farm to pick strawberries and fear that this bill will legislate this event out of existence. I urge a NO vote on this bill - go back and rewrite it to support small farms, not unnecessarily burden them!
