

Submitter: Marlene Walker  
On Behalf Of:  
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water  
Measure, Appointment or HB4153  
Topic:

I have been buying produce at Farm Stands in Oregon since I moved here in the late 1960's. They have provided my family with fresh, wholesome food at reasonable prices, and it's been a real treat to visit the farms and see where our food is grown. We need to support and protect our small farmers in Oregon --- it's a win-win situation all around.
