"Hello Oregon State Treasurer and Legislature,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. The Bay Area Hospital still needs some assistance, but the disciplined recovery plan of the last few months has shown its potential for lasting financial independence.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means an estimated 2,089 more patient transfers and 182 preventable deaths per year.

Please do what you can to save the Bay Area Hospital.

Best regards
