Measure, Appointment or HB4153
Topic:

I am a friend and customer of a local farming family who runs a small pumpkin farm near Boring, OR. This farm offers u-pick pumpkins and various fun activities for families. I am fully in support of HB 4153, as this bill is very important to this family and their livelihood. It helps protect small farms and allows them to keep offering things pumpkin patches, u-pick, and other agritourism activities. Thank you for your time and consideration in reviewing this testimony.
