Committee: Senate Committee On Commerce and General Government
Measure, Appointment or Topic: SB1512

I OPPOSE [SB 1512].

[SB 1512] gives an appearance of being a good, solid investment. However, there is no documentation the Prosperity 10K Program (P10KP) has been audited to confirm the financial successes.

The 'Local Workforce Development Boards' are not defined either by funding and or by training of Local Workforce Board Members.

P10KP gives every appearance of providing training to a select group of individuals as opposed to equal access by all so concerned.

Are Illegal Aliens permitted o have access to P10KP?

There is 'No' funding listed in [SB 1512]. Why not?

P10KP is a boondoggle with the Higher Education Coordinating Commission giving out Grants. What are the Grant's obligations? Has the Grant Program been audited?

P10KP has too many unanswered questions.
