Measure, Appointment or Topic: HB4153

Subject: Please Protect Oregon's Farmstands and Agritourism by Supporting  
HB4153

To whom it may concern,

I'm writing as a proud Oregonian and someone whose family has made countless memories at local farm stands and agricultural events. From picking peaches at Olsons Farm to buying apple cider at EZ Orchard and seasonal festivals, these experiences have become part of our family's story— and part of what makes Oregon so special.

These farms aren't just places to visit. They're run by hardworking families who support local jobs, bring life to our rural communities, and help preserve Oregon's agricultural heritage. That's why I'm writing to you to ask you to support HB4153 this legislative session. This house bill will protect farm stands and agritourism as it provides farm permit holders with clarity, efficiency, and support to educate and sell to the public.

Farmstands and agritourism businesses deserve our support. They're already doing the hard work of growing food, welcoming visitors, educating the public, and keeping our rural economy strong. Please stand with them and support HB4153. Let's make sure Oregon continues to be a place where agriculture and community thrive together.

Thank you for listening and for standing up for Oregon's farmers.

Sincerely, Krystal Rheinholdt
