HB4075

"To: Oregon Leaders,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

If we do nothing this Legislative Session, the community will be facing significant economic and healthcare impacts, including the loss of 97 full-time jobs and \$9.1 million in local wages.

Please do what you can to save the Bay Area Hospital.

Best regards,
