"TO: Oregon State Treasurer and Legislature,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. After months of reforms and cost-cutting, the Hospital is in much better shape but still struggling with high interest payments and aging equipment.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means the cessation of Bay Area Hospital accepting most transfers from other clinics in the region.

Please do what you can to save the Bay Area Hospital.

Sincerely
