"TO: Oregon State Treasurer and Legislature,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

If the State is unwilling to assist the Bay Area Hospital, it will likely downgrade to a ""type B"" hospital. This comes with a number of costs to wellness and the local economy, including the loss of 97 full-time jobs and \$9.1 million in local wages.

Your support of the Bay Area Hospital is needed now.
