On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB4134

Chair Nathanson and members of the House Committee on Revenue,
My name is Stephanie Baxter and I live in Bend, Oregon. I am submitting this
testimony in strong
support of HB 4134 with the -1 amendment to increase the state lodging tax by
1.25%. I am a native Oregonian and what i consider the best part about Oregon is
our wildlife, or outdoor buddies as I like to call them. I grew up just outside of
Corvallis on my parent's 5 ac property on Todd Drive. We had tons of deer, wild
turkeys, bunnies, squirrels, birds....a whole menagerie of "neighbors" we loved
sharing the area with. My parent's have passed and their 5 acres belongs to a new
family but I still enjoy watching my wildlife neighbors and remember how much joy
they brought my parents. Im not sure if this letter really touches on what the HB4134
needs to pass but I do believe that our wildlife friends deserve our very best. First
and foremost this is their home we've selfishly moved in & made it our own. Please
do right by them.

Best Regards,

Stephanie Baxter
