Hello Oregon State Legislature,

I am testifying today in SUPPORT of HB 4138, the LEAVA act. I have witnessed the terror these masked agents inflict on my community. Ive seen mysterious SUV's with blacked out windows parked on the sidewalk. I was marching in support of my immigrant neighbors on saturday when the crowd was gassed. These cowards at ICE/DHS have no shame; they will shoot at and gas children, dogs, elders in broad daylight. Weve seen regular people murdered on the streets of Minnesota, and it is not a matter of if, but \*when\* that happens in Oregon. These federal agents terrorize us without shame BECAUSE they are masked. There is no good reason for anyone with a gun to hide their identity. If we don't take swift action against this, we will welcome a new era of terrorism into our communities.

This policy should be common sense for any decent Oregonian.
