Please vote in favor of this bill. Wildlife is very important to me and to a great many of those who come to Oregon to visit. I want our children, and our children's children, to be able to enjoy at least as much wildlife as we have now. For that to happen, it is worth adding a small tax to those who stay in hotels, Airbnbs, etc. But to have wildlife, conflicts need to be resolved, which is just one of the things this bill addresses. It is time to. pass this important bill. I don't think it is enough, but it is at least something.
