

Submitter: Tree Bressen

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB1541

We need your help to rein in corporate privateers from benefiting from Oregon's resources without contributing their fair share. Externalizing costs is a well-worn strategy for economic profit, dumping costs onto taxpayers that should be borne by the companies causing harm. This bill is your chance to help! We citizens and future generations thank you.
