SB1509

Chair Jama, Vice Chair Starr and members of the Senate Committee on Rules,

I am writing to testify in strong support of SB 1509, which is a good governance bill that seeks to add additional security measures to our election process to ensure that presidential electors in Oregon vote faithfully and in alignment with the public's will as it relates to the President and Vice President of the United States.

This is just, this is fair, and this keeps the will of the people as a whole front and center - anything less destroys the due process of democracy.

I support passing SB 1509 out of committee. Thank you.
