

Submitter: Djaudee Cipres
On Behalf Of: Self and Family
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB1507

We oppose OR bill SB 1507 because it removes important safeguards that protect children and families, weakens due process, and undermines potential rights. Additionally, we are concerned that this bill will increase government spending and place a financial burden on Oregon families, including the risk of higher or future tax increases. We believe policies should strengthen families while remaining fiscally responsible, and SB 1507 fails to do both.
