Committee:	House Committee On Education
Measure, Appointment or Topic:	HB4066

I OPPOSE [HB 4066].

Only a horde of jack-booted thugs would keep the students from discussing issues that affect them.

Without students, the Board would not exist as a functioning entity.

Go it students! Transparency in matters that affect students is paramount to make better the institution of higher learning.

Closed Executive Sessions is to stymie growth and inhibit creative thought.
