Committee: House Committee On Commerce and Consumer Protection

Measure, Appointment or Topic: HB4150

Dear Members of the House Committee on Commerce and Consumer Protection,

Thank you for your service and the opportunity to testify in support of HB 4150. I have lived in Eugene for almost 30 years and strongly support our status as a sanctuary state. Federal policies of mass deportation that deny due process to immigrants are abhorrent. Private companies, such as Avelo Airlines, should not be able to profit from federal contracts to carry out these actions.

HB 4150 prevents private contractors operating in Oregon from participating in these practices. By promoting ethical behavior among contractors, this bill ensures that public funds are used appropriately, in alignment with Oregon's policies and values.

Please approve this bill and forward it to the legislature for passage.

Gratefully,

Denise Jessup
