I am writing you today to voice my strong opposition to uncoupling the federal tax cuts that We The People voted for. Your attempts to nullify a duly constituted election are absolutely unacceptable and demonstrate that the Democrats have nothing but contempt for the electoral process and the citizens of Oregon. President Trump was reelected in a landslide and his agenda is what the taxpayers voted for. Therefore, in the spirit of fairness and out of respect for the electoral process, I am requesting that the tax cuts recently passed by Congress be passed down to the citizens of Oregon.
