SB1507

As a citizen of Oregon any tax increase request should be put on the ballot for citizens to vote on. I request a no vote on this tax especially until Oregon can show budget accountability. Our tax dollars are being wasted on pet projects having nothing to do with the constituents of this state. Tax dollars are for roads, schools and public safety. Oregon is grasping at ideas for making more money due to the loss of Federal dollars. Most of us no longer trust our legislature as they are making decisions for the Portland and Eugene areas of the state and do no care what the rest of us need or want.

A sales tax increases our already tight budgets across the state.

Please vote NO on this measure.
