Committee: House Committee On Commerce and Consumer Protection

Measure, Appointment or Topic: HB4150

Dear Committee Members,

Thank you for the opportunity to testify on HB4150. Because this bill prevents state contractors and grant recipients from participating in the transportation of individuals detained for deportation, except under judicial orders, it protects immigrant rights and ensures due process. This aligns with Oregon's state values, supports immigrant communities and ensures that public funds are not used for activities that conflict with state policies.

I strongly urge you to approve this bill and forward it to the legislature for passage.

Thank you again,

Alida Rol
