Co-Chairs Helm and Owens, Vice-Chair Finger McDonald, and members of the House Committee on Agriculture, Land Use, Natural Resources, and Water:

My Name is Zach and I am a community member in Coos Bay. I am writing to you today to express my opposition to HB 4153. Farm stands are a vital part of connecting the public with our food system and building an understanding of what it takes to go from field to fork. But HB 4153 would restrict who is allowed to have a farm stand, replace current definitions with Farm Stores, and give large land owners privileges at the expense of small farm stands in Oregon. We need to find a better solution.

I care about this because I do not want to see small farm stands shut down in service of larger operations. It seems to me that any law that supports local agriculture should be inclusive of smaller operations, and if this isn't possible, perhaps the bill is flawed and needs to be re written.

I will not vote for anyone who expends time and energy to make our life on the south coast less rich.

We are asking you to not place a higher burden on the smallest farms. This bill takes away opportunities from small land holders and farms in order for larger operations to be able to host more events. This is not a good bargain for Oregon and a better deal must be found.

Thank you,

Zach Reinig
